

**REMARKS**

In response to the July 10, 2009 Advisory Action, Applicant hereby cancels withdrawn claims 17-23 and 26. Since the Examiner indicated that the Application would be in condition for allowance once claims 17-23 and 26 are canceled, Applicant assumes that previously withdrawn claims 9 and 16 are rejoined. Accordingly, claims 9 and 16 are now labeled as "original" rather than "withdrawn."

Furthermore, Applicant hereby adds new claims 27-32 which read on the elected species. Since claims 27-32 are dependent, either directly or indirectly, upon claim 1, Applicant submits that such claims are allowable at least by virtue of their dependency.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.
